

9 7KW、11KW、21KW Ac charging pile

Rated output power	7KW (32A) ,11KW(16A), 21KW (32A)
Input rated valves:	220V 50Hz/380V 50Hz
Storage temperature	-30—70°C
Operating temperature	-25—55°C
Humidity	5%—95%
Storage relative humidity	≤95%
IP rate	IP55
Protection mechanism	Against Low voltage, over voltage, lightning strike protection, grounding fault, over current, control signal fault detection protection, leakage protection, over temperature protection, MCU function error detection
Standard	GB/T 18487.1/.2、 GB/T20234.1/.2、 GB/T 33594、 GB/T 34657.1、 NB/T 33002-2010
